Emergency is defined as an unforeseen circumstance affecting life or property requiring immediate implementation of the change.

Where Management makes any changes in working conditions because of the requirements of Federal or State law, the County shall not be required to renegotiate the matter or manner of compliance with such law where the manner of compliance is specified by such law.

C. Except as specifically provided herein, it is agreed and understood that each party voluntarily and unqualifiedly waives its right, and agrees that the other shall not be required, to negotiate with respect to any subject or matter covered herein or with respect to any other matters within the scope of negotiations during the term of the Memorandum of Understanding.

The County reserves the right to take whatever action may be necessary in an emergency situation; however, SEIU shall be notified promptly of any such emergency action which affects matters within the scope of representation.

The County agrees that it will not exercise the foregoing management rights in an arbitrary or capricious manner.

ARTICLE IV
WORKWEEK, OVERTIME AND PREMIUM PAY

Section 1. Workweek

Work-Period. The normal work period shall be 10 working days of 8 hours each. A department head with prior approval of the County Executive Officer and the Human Resources Director may establish or eliminate a different biweekly work period of 80 hours after giving one pay period written notice to the representative, if any, of the employees affected.

A. Effective July 1, 1999, SEIU agrees that the County shall retain exclusive control to determine employee work schedules and hereby waives any right to grieve schedule assignments during the remaining term of this agreement.

B. Professional Hours-DPSS. The parties agree that flex schedules shall be made available for Social Service Workers I, II, III, IV, and V, Employment Services Counselor I and II, in D.P.S.S. under the following conditions:

1. Employees are required to work a full 40 hours per week and a full 80 hour biweekly work period or be in pay status. Employees shall not work over 40 hours per week without prior written approval to do so by his or her supervisor in

cases where there is urgent necessity or extenuating emergency circumstances to so work.

2. No overtime shall be paid for over 8 hours worked per day. The application of Section 2(A) of this Article shall not apply as it pertains to overtime after 8 hours in a day. The only overtime that shall be paid under this Memorandum shall be that of the provisions of the Fair Labor Standards Act for approved overtime work which is over 40 hours per week.

3. In order for an employee to be under the flex hours provision, he/she must continue to maintain the work load assigned within the 40 hour work period. The department may establish core hours of work. In addition, employees must agree to clear their schedule to attend staff meetings, training classes or any other meetings or events which the department requires the employee to attend. It is mandatory for an employee to complete the client contact sheet daily and follow any other requirement in the department's policy, procedures and handbook. It is incumbent on the employee to keep abreast of all events which affect his/her schedule. Probationary employees and employees who do not meet the required work standard where closer supervision is necessary shall not be eligible for the flex hours scheduling. The department has the absolute and exclusive right to return an employee to the previous or normal work period should an employee not comply with the conditions of this memorandum. Should a grievance be filed against the department for the removal of an employee from this flex schedule the burden of proof is upon the employee to show that the department did not have cause for such action. Cause is based on failure of the employee to follow conditional requirements stated in this memorandum. Removal from the flex time schedule shall not be interpreted as disciplinary action.

Example of Flex Schedules:

	M	T	W	Th	F	M	T	W	Th	F
Hrs.	9	7	10	6	8=40	12	8	9	7	4=40

80 TOTAL HOURS
BIWEEKLY

Section 2. Overtime

A. Overtime Work Defined. Overtime work is authorized work in excess of the maximum hours of the established FLSA work week or work performed when the employee is called back to meet an emergency on a holiday or is in a stand-by or call duty status. It does not include regularly scheduled work on a paid holiday.

B. Overtime Provisions of the Fair Labor Standards Act. Except as set out in paragraph C below, employees in classifications that are not exempt from the Fair

Labor Standards Act (herein referred to as “FLSA”) shall be compensated for overtime consistent with the Act. The Human Resources Director and County Counsel shall determine which classes of positions are exempt from the FLSA.

C. Double Time Employees in the following classifications shall be eligible to receive overtime credit at two times such actual hours for authorized overtime subject the qualifying factors set out below.

Classification:

Qualifying Factors:

1. Working at an RCRMC campus, Public Health, or Detention Health:

- Physician Assistant-Adult Detention
- Licensed Vocational Nurse I and II
- Licensed Psychiatric Technician
- Surgical Technician
- Assistant Nurse Manager
- Institutional Nurse
- Interim Permit Nurse
- Nursing Education Instructor
- Nurse Practitioner I, II and III
- Pre-Hospital Liaison Nurse
- Registered Nurse I, II, III, IV or V
- Senior Institutional Nurse

2. Working at an RCRMC campus, Public Health, or Detention Health:

- Licensed Vocational Nurse – Adult Detention
- Respiratory Technician I and II
- Respiratory Care Practitioner I, II
- Supervising Respiratory Care Practitioner
- Utilization Review Supervisor

- all hours worked on an extra weekend shift

A “weekend shift” for the purposes of this section means a shift starting on or after 3:00 p.m. Friday and ending on or before 7:30 a.m. Monday. An “extra” weekend shift means a weekend shift actually worked in addition to the required weekend shifts that were actually worked in the pay period. To qualify for double time on an extra weekend shift employees must have also actually worked their regular schedule that week.

All classifications listed above as eligible for double time on an extra weekend shift are required - unless specifically excluded by the Department Head - to work two non-premium weekend shifts during the bi-weekly pay period. An extra weekend shift for any employee exempted, in whole or in part, from the mandatory weekend requirement

by the Department Head is a weekend shift in addition to his/her normal schedule as established by the Department Head, provided that the employee actually worked his/her normal schedule that week.

This weekend requirement does not apply to Registered Nurses in the RN-W classifications who work only weekend shifts and do not qualify under this section for double time on an extra weekend shift.

Nurses in the RN-W classifications shall receive a weekend premium of \$5.00 per hour for each weekend hour actually worked. A weekend nurse who works 72 weekend hours every pay period shall be considered a full-time employee for purposes of flexible benefit entitlement.

D. Authorization for Overtime Work. Performance of overtime work may be authorized by the Board of Supervisors or by the department head or a designated subordinate.

There shall be no favoritism in the assignment of overtime work.

E. Departmental Records. Each department head shall keep complete and detailed records as to the attendance and pay status of each employee. This shall include actual hours of overtime work for each employee in each work week, with justification in each case, and shall also include compensatory time off. The daily record for an employee in a normal paid working status may be kept on a negative basis, that is, with no entry except for overtime, compensatory time off, sick leave, vacation, leave of absence, and like items.

The initial record, any secondary records, such as a summary of the work week or of the pay period, or other compilation from the initial record, and the departmental copy of the attendance report for each pay period together with any subsequent correcting reports, shall be preserved and retained in a condition to be audited for the three most recent full fiscal years, and thereafter until any official inquiry concerning the same has been finally concluded.

F. Reporting and Calculation. Actual hours of overtime work shall be reported on each attendance report. The Auditor shall maintain the record of overtime credit at one and one-half times such actual hours. Actual hours of compensatory time off shall be reported on each attendance report. If payment is to be made, the number of hours of overtime credit to be paid for shall be specified.

G. Compensation for Overtime Work. Accumulated overtime credit in excess of 120 hours at the end of any pay period shall automatically be paid for. Accumulated overtime credit after 40 hours may at the election of the employee, be accumulated as overtime credit as provided herein, or the employee may elect to be paid such overtime. Accumulated overtime credit of 120 hours or less may be taken in compensatory time off, subject to management approval, and this method of reducing accumulated

overtime credit is encouraged. With approval of the County Executive Officer, accumulated overtime credit of 120 hours or less may be paid for. Paid overtime credit shall be at the hourly rate currently applicable to the employee. Upon termination, accumulated overtime credit shall be paid for. Overtime caused by duly authorized continuing and regular work periods longer than 80 hours, or by seasonal overtime work, if authorized by the County Executive Officer in advance, shall be currently paid for.

H. Fringe Benefits not Affected by Overtime. Overtime work shall not be a basis for increasing vacation or sick leave benefits, nor shall it be a basis of advancing completion of the required period for probation or salary step advance. Where overtime results from necessary irregular work schedules, it may be included in computing the minimum time for salary step advance which would otherwise be delayed beyond the normal period.

I. Payment of Comp. Time

1. Registered Nurses Unit. Any Registered Nurse who is a member of the Registered Nurse Unit who has, at the expiration of each prescribed pay period, any compensatory time off benefits that have not been utilized shall be paid for such compensatory time by County Warrant, or the employee may elect to accumulate compensatory time off benefits up to a maximum of 120 hours. 1. Any Officer, in order to perform the work of the department or a civil defense function, may employ emergency employees without reference to the salary or classification plans at rates which appear to be prevailing for the type of work to be performed at the time of their employment.
2. For the same purpose, any Officer may employ, on a paid overtime basis, current employees at hourly rates equivalent to their current compensation basis.
3. Any employee who reports to a regular or other designated place of employment or to a civil defense assignment shall be deemed to be employed in their usual position in a regular payroll status. Any employee who, without adequate reason for absence under the terms of this Memorandum who fails to so report shall be deemed absent without authority and shall not be paid during such absence.

Qualified employees, whose positions are designated by Departmental Supervisors as requiring/desiring bilingual skills, are encouraged to test for higher skill levels if required by the department.

Designation of positions eligible to receive bilingual pay is the responsibility of the supervisor with the approval of Human Resources. All future recruitments for a position designated as such would include the requirement of bilingual skills.

Payments for part-time employees will be pro-rated based on the hours worked.

H. Psychiatrist - Mental Health Medical Program. In accordance with Section 621 and 522 of Title 9, California Administrative Code, when the Program Chief, Mental Health Service position is vacant or if occupied by a non-medical incumbent, the Mental Health Director may assign medical program responsibility for all those acts of diagnosis, treatment, or prescribing or ordering of drugs which may only be performed by a licensed physician to the incumbent of a Psychiatrist position who shall then be compensated at an hourly rate which is three steps higher than specified for such a Psychiatrist position.

I. Engineering, Survey, Architect Licensure. The incumbent of a professional engineering position or facilities project manager who is not required by the classification plan to be registered, but who is registered as a Professional Engineer by the State of California, shall be compensated at an hourly rate which is two steps higher than that specified for such position, at the option of the employee's department head. Such an incumbent in a department primarily concerned with land surveying who is a licensed land surveyor may be likewise compensated. The incumbent of a professional architect position or facilities project manager who is not required by the classification plan to be licensed, but who is licensed to practice architecture by the State of California, shall be compensated at an hourly rate which is two steps higher than that specified for such position, at the option of the employee's department head.

J. Inconvenience Differential.

Each employee of the Transportation Department of the Transportation Land Management Agency assigned to a traveling crew while its work headquarters is temporarily at the Blythe or Thermal Road Yard, and whose normal residence is in a distant area rendering daily travel impracticable between their residence and such temporary work headquarters, shall receive \$12.00 for each pay period in addition to their regular compensation. Any employee whose regularly assigned headquarters are in the Blythe or Thermal Road Yard shall be entitled to the same inconvenience differential at the same rate and conditions. Such assignments must be authorized or verified by the department head or a designee in writing. This differential does not apply to vacation, sick leave, Workers' Compensation leave or holiday pay.

When such assignments are no longer needed or the employee is not required to perform these functions, the department head shall terminate the special compensation.

L. Implementation of New Payroll System. SEIU understands and agrees that the County may implement a new payroll system which will be date based, as opposed to hour based. The County agrees to provide as much advanced notice as practicable so that concerns SEIU may have over problems associated with the systems implementation shall be an agenda item for discussion at the Unit specific Labor/Management Committee.

1. On or about July 1, 2001, the County will implement People-Soft, a new payroll, accounting, and budgeting system. Changes related to People-Soft include:

a. Dates for increases in leave accruals, probationary periods, anniversary dates, merit increases, step advances, and similar events shall be based upon service dates rather than hours, i.e. 1040 hours shall become 6 months and 2080 hours shall become one year.

b. Leave accruals, i.e. sick leave, vacation pay, will continue to require that the employee be in a paid status for each day during the pay period to receive the full accrual for that pay period.

c. Some other benefits will be granted even though the employee is in a paid status for only one day during the pay period, i.e., flexible credit allowance.

d. The start of the biweekly pay period will change from Wednesday to Saturday. As a result, the check for the first pay period under People-Soft will, for most employees, cover seven rather than ten workdays.

M. Electronic Pay Advice – The County is currently transitioning to an electronic pay advice system. Once the transition is complete the County shall no longer mail pay advices. The electronic pay advice system will permit employees to view/print current and previous bi-weekly pay advice/stubs. Prior to implementation the County will review security and access issues with the Union at the County-wide labor/management meeting. The Union and employees will be given at least three pay periods notice of final implementation of the electronic pay advice system.

ARTICLE V PAY PRACTICES

Section 1. Step Advance

A. The compensation of every person employed in a regular position on a step basis shall be considered for increase upon their anniversary date, except as herein otherwise provided.

B. For employees appointed prior to January 9, 1992:

The first anniversary date shall be the first day of the pay period following the completion of 6 months in a paid status in the position as a result of original appointment, or as the result of a promotion or reclassification which involved a salary increase. Re-employment at a rate other than that of the first step of a range shall not be considered an original appointment for purpose of fixing the anniversary date. In such cases the anniversary date shall be the first day of the pay period following one year in a paid status, not including overtime, after such re-employment unless otherwise specified in the Resolution of the Board of Supervisors.

The second anniversary date shall be the first day of the pay period following the completion of an additional one year in a paid status, not including overtime, and subsequent anniversary dates shall occur at like intervals.

C. Employees appointed on or after January 9, 1992:

The first anniversary date as a result of an original appointment shall be the first day of the pay period following the completion of one year in a paid status in the position not including overtime.

The first anniversary date as a result of promotion or reclassification which involved a salary increase shall be the first day of the pay period following the completion of 6 months in a paid status in the position not including overtime.

Re-employment at a rate other than that of the first step of a range shall be considered an original appointment for purpose of fixing the anniversary date.

The second anniversary date shall be the first day of the pay period following the completion of an additional one year in a paid status, not including overtime, and subsequent anniversary dates shall occur at like intervals.

D. The provisions of this section shall be subject to other specific provisions of this Memorandum concerning change of anniversary dates.

E. Denial of Step Increase: The department head may disallow a scheduled step increase provided a performance evaluation is first reviewed and approved by the Human Resource Director or a designee. If the increase is disallowed, the employee will be provided the reasons therefore in writing.

If the department head disallows such increase, the department head shall review the matter at least quarterly, and may allow the increase effective on the first day of any pay period after that in which the increase could have been allowed. The responsibility for submitting a written allowance of increase, after disallowance, shall be with the department head. The anniversary date shall be postponed until an increase is allowed.

Such salary increases shall be given unless there is an affirmative decision of the Department Head to deny the increase.

F. Seasonal Employees: With the same procedures as in the foregoing Subsection, on the first day of the pay period following the completion of one year in a paid status, not including overtime, the salary of a seasonal employee shall be increased. On the first day of the pay period following the completion of an additional one year in a paid status, not including overtime, employee's salary may again be increased, and thereafter in like intervals. The hours in a paid status need not be continuous, provided no interval of more than one year shall occur when the employee is in an unpaid status.

G. Every anniversary salary increase shall be to the rate of the second next higher step, except when there are less than two steps remaining, it shall be to the last step.

Section 2. New Employees

A. Except as otherwise provided by this Memorandum, a new employee shall be appointed at the first step of the salary range. The department head with the prior approval of the Human Resources Director and the County Executive Officer may appoint a new employee in a specified class to any step within the salary range if the employee has: (1) qualifications substantially greater than the minimum for the class; and (2) experience, which if it had been obtained in the position applied for, would have made the employee eligible for the advanced step proposed. When the Human Resources Director and the County Executive Officer authorize a position to be filled at such step higher than the first step of the range, the Human Resources Director and the County Executive Officer may also advance all incumbents of positions in the same class earning less than the step so authorized to the same or one of said higher steps, fixing the minimum initial salary on such advanced step. Should incumbent Registered Nurses working for an RCRMC campus or Detention Health not be advanced in the scenario outlined above, the parties agree to meet and consult on the issue to determine if advancement would be equitable in all the circumstances. The anniversary date shall be the first day of the pay period which is not less than one year in a paid status thereafter, not including overtime. When such an incumbent employee is already on that step, his/her anniversary date shall not change.

B. Notwithstanding the provisions of (A) above, there shall be up to an additional 4 steps (approximately 11%) which shall be reserved for those specific classifications in a specific Department designated by the Human Resources Director, subject to approval by the County Executive Officer, as "difficult to recruit." Further, different locations or regions may qualify for difficult to recruit designation or for different levels (i.e. percentages) of compensation under a difficult to recruit designation. In addition, the County agrees to make every effort to give first consideration to existing employees who have indicated an interest in a specific position and/or location designated as difficult to recruit.

This designation shall be granted based upon a determination by the Human Resources Director, subject to approval by the County Executive Officer, on a specific classification and specific Department basis, that a serious recruiting or retention problem exists for specific classification(s) in a specific Department, or that the increases granted to subordinate "difficult to recruit" classifications in the specific Department has created serious compaction problems, and that a percentage increase up to and including 4 steps (approximately 11%) would assist the County in recruiting and retaining employees in the specific classification(s) in that specific Department. Advancements to any of these ranges in the specific Department shall not be automatic nor shall such a determination have any bearing on the same or similar classifications within the Department or in any other Departments with same or similar classifications. Upon such determination and approval, any increase granted pursuant to these provisions shall be implemented in the specific Department as follows:

1. Upon prior authorization of the Human Resources Director, the initial salary placement for newly hired employees in the specific classification in the specific Department may be at any step on the salary range for his/her classification up to and including a step on the salary ranges established pursuant to Section 2(B) above.
2. In the event the salary granted to a newly hired employee in the specific classification in the specific Department pursuant to Sub-Section (B)(1) above exceeds that for any present permanent, regular full-time or regular part-time employee in the specific classification in the specific Department who is being compensated at the top of the salary range for that specific classification(s), such employee(s) shall be placed on the same salary range and step as that granted to the new employee.
3. All other regular full-time and regular part-time employees assigned to the affected classification(s) in the specific classification in the specific Department, who have completed less than one year of service at the top, or at any other step, of the salary range for that classification, may, upon a review of their qualifications and approval by the Human Resources Director, have their salary adjusted to an amount no less than the lowest salary received by a similarly qualified employee hired as the result of an open recruitment to fill a vacancy in that classification in the specific classification in the specific Department.

Notwithstanding, the paragraph above, if an employee newly hired into a "difficult to recruit" classification has less experience in the work of the classification and/or education/training applicable to the work of the specific classification than an incumbent employee in the same specific classification in the specific Department, the incumbent employees' wage will immediately be increased to the level of the newly hired employee.

4. Subsequent merit increases for employees not compensated at the top of the salary range(s) for the specific classification in the specific Department affected by the provisions of this subsection may be granted pursuant to the standard procedures for step advances as set forth in the applicable memorandum of understanding.

Employees may receive annual reviews as set forth in such MOU, but merit increases cannot be given beyond the top step as set forth in this MOU.

In the event the Human Resources Director determines the circumstances that created the recruiting or retention problems for any or all classifications in the specific classification in the specific Department no longer exist, he shall advise the County Executive Officer of his findings. If the County Executive Officer concurs, he shall declare the provisions described above inoperative for such specific classification(s). At that time, the salary for any employee compensated at a rate above that to which he or she would otherwise have been entitled shall be frozen and shall not be increased until the regular salary for the specific classification exceeds the rate established pursuant to the provisions described above.

Section 3. Re-employment

A. Upon recommendation of the employing Officer and approval of the Human Resources Director, a former regular employee may be re-employed in the same class of position which he/she previously occupied, at the same step of the salary range as the step applicable at the time of his termination, provided they were terminated in good standing.

B. Re-employment after military service shall conform to the requirements of the Military and Veterans Code, but in other respects shall be in accordance with this Memorandum.

C. Whenever a former regular employee is or has been re-employed within twenty-four months after termination he/she may, on recommendation of the employing Officer and with the approval of the Human Resources Director and the County Executive Officer, be allowed accrued sick leave and accrued time toward earned vacation, not exceeding the amount thereof which was lost at the time of termination, and his/her anniversary date for step advance may be expressly fixed, subject to other provisions of this Memorandum relating to delay and disallowance thereof, by allowing credit for all or a portion of the applicable period of service prior to said termination. A former employee who is re-employed and who did not withdraw his or her initial retirement contributions at the time of his/her termination, shall not be required to make an additional initial retirement contribution for the previous period of covered employment with Riverside County.

D. Re-employment of Retired Persons. An employee who is retired under the State Employees Retirement Act and who is receiving retirement benefits shall not be employed or re-employed in any position for compensation without the prior written approval of the Human Resources Director. Consistent with the requirements of the State Employees Retirement Act for discontinuance of retirement benefits, the retiree may be employed or re-employed.

The Human Resources Director may allow the employment or re-employment for up to 120 working days in any calendar year, without loss of benefits, as specified in Section 21153 of the Government Code. That section permits the temporary employment only during an emergency to prevent stoppage of public business, or because the restored employee has skills needed in performing specialized work of limited duration. During the employment or re-employment the retiree is to be paid at a rate not less than the minimum, or more than that paid other employees performing comparable duties.

When a retiree under the State Employees Retirement Act is employed or re-employed, his/her retirement status must be specified in the documentation of appointment to a permanent or temporary position.

Section 4. Promotion. On promotion, the salary shall be at a rate on the new salary range which is 2 steps higher, or immediately greater than 2 steps higher, than that paid on the range for the former position where the new range is able to accommodate the increase. The effective date of all promotions shall coincide with the first working day of a pay period. The anniversary date shall be determined as if the date of promotion were the date of employment.

Section 5. Transfer. On transfer, the salary shall be the same as that paid previously. The anniversary date shall not change.

Section 6. Demotion

A. On demotion, the salary shall be at the rate of the same step on the new range as was applicable to the previous range. The anniversary date shall not change. The effective date of all demotions shall coincide with the first working day of a pay period.

B. Permanent employees who, within one year following a promotion, voluntarily demote to their previously held classification may return to the step of the previously held classification from which they promoted. Demotion under this section shall be with the mutual agreement of the employee and involved department head(s) and an opening must exist. The anniversary date shall not change.

Section 7. Reclassification

A. The salary of an incumbent of a position reclassified to a class on the same salary range shall not change. The anniversary date shall not change.

B. The salary of an incumbent of a position reclassified to a class on a higher salary range shall be at the rate which is 2 steps higher, or immediately greater than 2 steps higher, than that paid on the range of the former position, where the new range is able to accommodate the increase.

The anniversary date shall be determined in accordance with this Article, except that the first anniversary date shall be the first day of the pay period following the completion of 6 months in a paid status, not including overtime, in the new classification. Thereafter, anniversary dates shall be on the first day of the pay period following each additional one year in a paid status.

C. The salary of an incumbent of a position reclassified to a class on a lower salary range shall not change unless such salary would exceed the maximum of the new range, in which event it shall be reduced to the maximum. The anniversary date shall not change.

D. The effective date of a reclassification shall coincide with the first working day of a pay period.

Section 8. Temporary Promotion. A regular employee may be promoted on a temporary basis to fill a vacant position as a result of a leave of absence of the incumbent of that position, or pending appointment of another person to that position. Such promotion is designated "temporary promotion". The salary of an employee temporarily promoted shall be determined as if the temporary promotion were an original appointment to the position.

When the absence ceases or the vacancy is filled, the employee shall return to their regular position, and their salary and anniversary date shall be re-determined as if the temporary promotion had not occurred. Any step increases which would have been due in their regular position shall be allowed.

Section 9. Conformance to Plan. No regular employee shall be assigned to exercise the powers or perform the duties of any classification other than their own classification for an accumulated period of 480 hours or more during any one calendar year. Such accumulated hours of such assignment(s) shall be credited toward qualifying experience for possible promotion only when such assignments have been authorized or verified by the department head or designee in writing.

Section 10. Payroll Errors. The County shall make every reasonable effort to resolve payroll errors within one pay period.

The County agrees to meet with SEIU at mutually acceptable times and places to review payroll related problems.

Section 11. Board Policy C-26: SEIU agrees that the County may apply Board Policy C-26, Hiring/Retention Bonus, to any classification as deemed necessary by the County.

ARTICLE VI
GENERAL PERSONNEL PROVISIONS

Section 1. Probation

A. Initial Probationary Status. Each regular and seasonal employee shall be in an initial probationary status from the effective date of their initial employment in a position in a paid status until the required initial probationary period, and any extension, is completed without separation from County employment.

Computation of the initial probationary period in a paid status does not include overtime, standby, on-call or military leave of absence. A regular or temporary employee who has not completed the initial probationary period serves at the pleasure of the department head and may be released from employment without cause. Such an employee is not entitled to the review procedure provided for in this Memorandum.

ARTICLE XII DISCIPLINARY APPEAL PROCEDURE

Section 1. General. Any notice required to be given by this procedure shall be in writing and shall be deemed served when personally delivered to the person to whom it is directed or when deposited in the United States mail, registered or certified postage prepaid and addressed to the designated recipient at the last known address. Whenever there is an interrogation of an employee where the significant purpose is to investigate facts to support disciplinary action there is a right for the employee to be represented.

A. As used in this procedure, "disciplinary action" means dismissal, demotion, reduction in compensation, suspension or written reprimand in lieu of suspension (FLSA exempt employees only which shall for all purposes have the effect of the equivalent suspension) imposed for disciplinary reasons, that directly affects the wages, hours, or working conditions of a permanent employee.

B. Unless otherwise specified, as used in this procedure, "department head" includes the department head or a designated subordinate.

C. Department, for purpose of this procedure, shall be defined as an agency, department, or district of the County which is set out in a separate section of Ordinance No. 440.

D. The Human Resources Director, or designee, may for good cause extend the time for performance of any act required or permitted by this procedure, upon written request prior to expiration of the time fixed. Powers of the Human Resources Director, or designee, may be exercised by a designated subordinate.

Section 2. Involuntary Leave of Absence. Pending investigation by the department head of an accusation or accusations against an employee alleging employee misconduct, covered under Article XI of this Memorandum, the department head, with approval by the Human Resources Director, may place the employee on a leave of absence for a period of time not to exceed fifteen (15) working days with pay.

If the investigation is not completed within the fifteen (15) days referenced above, the leave of absence may be extended to a combined maximum of ninety (90) calendar days with approval by the Human Resources Director. In such cases, and except for good cause as determined by the Human Resources Director, the department head will notify the employee in writing as to what specific allegations are being investigated. The Union will also be notified as to the extension only. Additional leave may be granted subject to the approval of the Human Resources Director. In the event the Human Resources Director does not approve the request for additional leave, the employee shall be returned to duty pending the completion of the investigation and the imposition of any disciplinary action provided, however, the department head may alter the employee's duties or assignment until the investigation is completed when he/she determines it is in the County's best interest. Except for investigations of employment related issues that are also the subject of on-going criminal investigations, leave shall not extend beyond a maximum of one hundred eighty (180) days.

The administrative leave provisions of this Section do not apply to investigations related to, or resulting from, Fitness for Duty or Workers' Compensation related issues.

An employee placed on Administrative Leave pursuant to the provisions of this Section shall, unless otherwise directed, be required to contact his or her supervisor, or other designated party(ies) at the start of each shift he or she would otherwise have been required to work and shall be required to return to work within twenty-four (24) hours notice by an authorized department representative. It is also the employee's responsibility to ensure the department has his or her current address and, if applicable, home telephone number.

A. For permanent employees written notice of intent to take disciplinary action shall be served on the affected employee, except as previously provided, at least seven (7) working days prior to the effective date of the action and shall include:

3. A statement that a copy of the materials upon which the action is based is attached or available for inspection upon request; and
4. A statement informing the employee of the right to respond either verbally or in writing, to the department head prior to the effective date of the disciplinary action(s).

B. After considering the response or if the time to respond has elapsed without the employee responding, written notice that the disciplinary action will be implemented shall be served on the employee on or before the effective date of the action and shall include:

1. A statement informing the employee of the disciplinary action(s) taken, the effective date(s) of the action(s), and that the action is being taken for the acts specified in the letter of intent; and
2. A statement informing the employee of the right to appeal within 10 working days of the date the letter is served on the employee.

Section 4. Amended Notice of Disciplinary Action

A. At any time before an employee's appeal is submitted to the neutral for decision, the department head may, with the consent of the Human Resources Director, or designee, serve on the employee and file with the Human Resources Director, or designee, an amended or supplemental notice of disciplinary action.

B. If the amended or supplemental notice presents new causes or allegations, the employee shall be afforded a reasonable opportunity to prepare a defense thereto. The employee shall not be required to file a further appeal. Any objections to the amended or supplemental causes or allegations may be made orally or in writing at the hearing.

Section 5. Appeals. Any employee may appeal any disciplinary action taken against the employee. The appeal shall be in writing and filed with the Human Resources Director, or designee, within ten (10) working days after the date of notification of action against which the appeal is made. An appeal shall:

- C. A brief statement of the relief requested.

Section 6. Waiver. If an employee fails to appeal the disciplinary action within the time specified, or after appealing, withdraws the appeal, the right to review is waived. Further, after an appeal is filed if the employee, or his/her representative, fails to take the next step to advance the appeal at any point in the process for ninety (90) days the appeal is deemed to be withdrawn and the right to review is waived.

Section 7. Hearing Procedure - Minor Discipline

A. When disciplinary action results in a suspension of eighty (80) working hours or less, a pay reduction equal to eighty (80) hours or less of gross salary, or a written reprimand in lieu of suspension of eighty (80) working hours or less, the appeal shall be determined under the following provisions:

1. Appeals shall be heard by a person assigned by the State Conciliation Service or another third party neutral (either hereinafter referred to as a neutral) as agreed to by the parties. The neutral's decision may be verbal or in writing. The neutral's decision shall be binding on both parties, neither of which shall have the right of further appeal.

2. Only the employee and one (1) non-attorney representative and the department head or a designee and the Human Resources Director or a non-attorney designee shall take part in the presentation of any appeal, unless the employee is an attorney who is self represented. Nothing herein shall prevent an attorney testifying to facts of which the attorney has personal knowledge and that which the attorney may be competent to testify.

3. The appeal hearing and disposition of the appeal shall be informal, the object being to settle the appeal promptly by the parties. The parties shall have the right to offer evidence by witnesses at the hearing subject to the discretion of the impartial party. The neutral may consult with witnesses informally and otherwise investigate the controversy.

4. The neutral may modify the disciplinary action, but in no event shall have the authority to increase the disciplinary action imposed to be greater than in Section 7(A) herein.

5. The judgment of the neutral shall be rendered within five (5) working days of submission of the controversy to him/her. Provided, however, the parties may mutually agree to extend the time in which the judgment may be rendered.

6. The neutral's authority shall be limited to deciding the issues submitted by the parties. The neutral shall have no jurisdiction or authority to add to, delete from, or modify any written provisions of any Memorandum of Understanding.

7. All costs for the service of the neutral, if any, including but not limited to, per diem expenses, travel and subsistence expenses, a transcript, and the cost of the hearing room will be borne equally by the County and SEIU. A SEIU member who elects not to

be represented by SEIU at the hearing shall provide to the Human Resource Director, or designee, an advance deposit of \$250 per half day of hearing, prior to the hearing being scheduled.

Section 8. Hearing Procedure - Major Discipline

A. Appeals filed in cases of termination, suspension exceeding eighty (80) working hours, or pay reductions exceeding eighty (80) hours of gross salary shall be heard by a neutral.

B. The parties shall maintain a jointly negotiated list of no fewer than seven nor more than eleven neutrals who shall be selected by the striking method. The only remaining name after the striking process shall serve as the neutral. If unable to agree on who should strike first, the first name shall be struck by the party winning the toss of a coin. If the neutral chosen is unable to serve within a time frame acceptable to both parties, the last name struck will serve as the neutral. As soon as possible, a representative from SEIU and the County shall meet to establish the list of up to eleven neutrals.

C. The hearing shall be set by the Human Resources Director, or designee, and employee representative, or employee, within a reasonable period based on the neutral's availability and other scheduling factors.

D. The employee and the department head may be represented by counsel or other representative, provided, however, if the employee is in a representation unit wherein an Employee Organization has been awarded exclusive recognition pursuant to the Employee Relations Resolution, unless represented by counsel, the employee may be represented only by the exclusive employee organization.

E. It shall be the duty of any County Officer or employee to attend a hearing and testify upon the written request of either the employee, the department head, or the neutral, provided reasonable notice is given the department employing the officer or employee. The Human Resources Director, or designee, shall arrange for the production of any relevant County record. The neutral is authorized to issue subpoenas.

F. All appeal hearings involving the dismissal of an employee shall be reported by a stenographic reporter. All other appeals need not be reported but either the employee or the department head may, at their own expense, provide a reporter for the hearing.

G. The expenses of the neutral and transcripts, if required, shall be shared equally by the parties. Each party shall make arrangements for and pay expenses of witnesses that are called by such party, except that any County employee called as a witness shall be released from work without loss of compensation or other benefits to attend the disciplinary hearing.

H. A SEIU member who elects not to be represented by SEIU at the hearing shall

provide to the Human Resources Director, or designee, an advance deposit of \$500 per day of hearing, prior to the hearing being scheduled.

I. Any arbitration expense incurred as the result of a postponement or cancellation of a hearing shall be borne by the postponing or canceling party.

J. Within 21 days following the submission of the appeal, the neutral shall submit written findings of fact, conclusions of law, and the decision to the parties together with a copy of the appeal and a summary of the evidence taken at the hearing. The decision of the neutral shall be final subject to the right of either party to seek judicial review under Section 1280 et. seq. of the California Code of Civil Procedure.

1. The neutral shall confine the decision to issues raised by the statement of charges and responses. The neutral shall act in judicial, not legislative manners. The neutral shall not amend, modify, nullify, ignore, add to or subtract from the provisions of the Memorandum but, rather, shall interpret and apply its terms.

2. The neutral will not substitute his/her discretion and judgment for that of management for sustained charges unless the neutral finds that discrimination, unfairness, capriciousness, or arbitrary action by the County is proven.

3. In the case of suspension/reduction in compensation or demotion, if the action is modified or rescinded, the appellant shall be entitled restoration of pay and/or fringe benefits in a manner consistent with the neutral's decision.

4. In the case of discharges, if the neutral finds the order of discharge should be modified, the appellant shall be reinstated to a position in the classification held immediately prior to discharge subject to forfeiture of pay and fringe benefits for any period of suspension imposed by the neutral.

5. If the neutral finds the order of discharge should be rescinded, the appellant shall be reinstated to a position in the classification held immediately prior to discharge and shall receive pay and fringe benefits for all of the period of time between the discharge and reinstatement.

6. The County shall not be liable for restoring pay and fringe benefits for any period(s) of time the appellant was reduced or removed from duty which results solely from the appellant's request for written briefs in the arbitration proceedings.

7. Restoration of pay benefits shall be subject to deduction of all unemployment insurance and outside earnings which the appellant received since the date of discharge which would not have been earned had the appellant not been disciplined. The appellant shall supply such outside employment earning records during the period of time in question when requested.

8. The neutral shall render findings sufficient both to enable the parties to determine whether and on what basis they should seek review and, in the event of review, to apprise a reviewing court of the basis for the neutral's decision. If the neutral fails to do so either party may request in writing within thirty (30) days of the issuance of the decision that the neutral render such findings.

Section 9. Evidence and Procedures Applicable to All Hearings

A. Hearings need not be conducted according to technical rules of evidence. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs.

B. Hearsay evidence shall be admitted and may be used for the purposes of supplementing or explaining any direct evidence, but shall not be sufficient in itself to support disciplinary action as defined in Section 1.a. herein, unless it is the type of hearsay admissible over objection in a civil action. The rules of privilege shall apply to the same extent to which they are recognized in civil actions.

C. Irrelevant and unduly repetitious evidence shall be excluded.

D. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil actions. In addition, communications between Human Resources Department employees, non-attorney advocates, Management or employees of County departments involved in an arbitration, and communications between the union representative and the employee who is the subject of a personnel action shall be confidential and not subject to disclosure in a personnel hearing.

E. Oral evidence shall be taken only on oath or affirmation. Any written statements, declarations, or affidavits admitted as evidence shall be made or sworn under penalty of perjury.

F. Employees not testifying in their behalf may be called and examined as on cross-examination.

G. The employee and the Department Head shall have these rights:

1. To call and examine witnesses;
2. To introduce exhibits;
3. To cross-examine opposing witnesses on any matter relevant to the issue, even though the matter was not covered in the direct examination;
4. To impeach any witness regardless of which party first called the witness to testify; and

5. To rebut any derogatory evidence.

H. The hearing shall be a private proceeding among the County, the employee and the employee organization.

I. The intention of the parties is that appeals or arbitration hearings be adjudicated as efficiently and economically as possible. Historically the parties have found that the use of legal counsel in the appeal/arbitration process can result in excessive delays, longer hearings, and increased costs. The parties to an appeal hearing or an arbitration hearing hereby commit to instructing their legal counsel to conform to the intention of this Memorandum and to take all necessary steps to expedite the appeal/arbitration hearing and minimize the cost of the hearing.

In cases involving hearings in excess of three (3) days the parties must engage in a case management process with the neutral. The case management meeting must be held at least thirty (30) days prior to the first scheduled date for the hearing and may be held telephonically. The neutral shall consider:

- (a) the simplification of the issues,
- (b) the possibility of obtaining admissions which might facilitate the hearing,
- (c) the quantum of damages, in the appropriate case,
- (d) any preliminary application by either party,
- (e) any other matters that may aid in the disposition of the action or the attainment of justice.

At the case management conference the neutral may, whether or not on the application of a party, order that:

- (a) a party file and deliver, within a fixed time, to each other party as specified by the neutral, any relevant documents,
- (b) any preliminary applications be brought within a fixed time or by a specified date,
- (c) a statement of agreed facts be filed within a fixed time or by a specified date,
- (d) a party deliver a written summary of the proposed evidence of a witness within a fixed time or by a specified date,

(e) experts who have been retained by the parties confer, on a without prejudice basis, to determine those matters on which they agree and to identify those matters on which they do not agree,

(f) the hearing be adjourned,

and, on making an order the neutral may give other directions that he/she thinks just or necessary.

If the neutral, upon application by either party to the appeal hearing, determines that legal counsel for the other party has unnecessarily prolonged the hearing and/or increased the cost of the hearing beyond the reasonable expectations of the parties at the commencement of the hearing then the neutral is authorized to impose sanctions on the offending party including, but not limited to, ordering such offending party to pay all or part of the non-offending party's increased costs of the hearing, to pay all or part of the non-offending party's attorney fees, to pay all or part of the non-offending party's cost of the neutral, to pay all or part of the non-offending party's costs of the transcripts, or such other relief that the neutral deems appropriate in the circumstances.

Both parties will abide by the neutral's decision.

The County agrees to cite specific reasons, including any applicable Articles or Sections of the MOU, or specific provisions or other procedures, that constitute the County's rationale for rejection of the grievance. The Union, by this agreement, does not waive any of its rights to file grievances, unfair practice charges or other means to enforce the MOU in the future. The parties agree to meet in an attempt to resolve any future denials upon the request of the Union.

C. PROCEDURE

Section 14. Steps. The following procedure shall be followed by an employee submitting a grievance petition:

A. Discussion with Supervisor. Prior to filing a written grievance petition, the employee shall, within ten working days from the date of the event leading to the grievance, discuss the matter with his/her immediate supervisor. The supervisor shall give a prompt response where it is possible to do so. The employee and the supervisor are each entitled to the presence of a silent observer to the employee-supervisor discussion. An observer that interrupts or participates in the discussion may be excluded from the discussion by either the employee or the supervisor.

B. Step 1. In the event the matter is not resolved as a result of the discussion described in (A.) above, the employee shall, within fifteen (15) working days after the discussion with his/her supervisor, submit the grievance petition to the Human Resources Department. The Human Resources Department shall forward the petition to the grievant's department head. Within fifteen (15) working days after submission of the petition, the department head, or a designee, shall meet with the grievant and the employee's representative, if any. No later than fifteen (15) working days thereafter the department head, or a designee, shall render a written decision.

C. Step 2. Failing to resolve the grievance at Step 1, the grievant shall submit a written request for review within ten (10) working days following the date the department head, or a designee, renders a decision. The Human Resources Director, or a designee, shall meet with the grievant and the grievant's representative, if any, within ten (10) working days of the submission of the request for review. No later than ten (10) working days thereafter, the Human Resources Director, or a designee, shall render a written decision.

D. Step 3. Failing to resolve the grievance at Step 2, the grievant shall submit a written request for arbitration to the Human Resources Director, or designee, within ten (10) working days following the date the Human Resources Director, or a designee, renders a decision.

E. The grievance shall thereafter be subject to advisory arbitration and decision by the Board of Supervisors in the manner prescribed in Section 14. The Board of Supervisors shall either accept or reject the neutral's decision, or accept part of the decision and reject the rest, without further testimony from either party. If the Board rejects all or part of the neutral's decision, the Board shall state its reasons for rejection. The decision of the Board of Supervisors shall be final. Unless mutually agreed, proceedings conducted at any step of the grievance procedure shall be private except the proceedings before the Board of Supervisors.

Section 15. Advisory Arbitration

A. After submission of a request for review, SEIU and the Human Resources Director, or designee, shall attempt to agree on a neutral.

B. The parties shall maintain a jointly negotiated list of up to eleven neutrals who shall be selected by the striking method. The only remaining name after the striking process shall serve as the neutral. If unable to agree on who should strike first, the first name shall be struck by the party winning the toss of a coin. The list shall contain no fewer than seven or more than eleven names. If the neutral chosen is unable to serve within a time frame acceptable to both parties, the last name struck will serve as the neutral.

C. If either party wishes to have a transcript of the arbitration proceedings, the requesting party will be solely responsible for all costs associated with the transcript. If both parties request a transcript the cost will be shared equally.

D. The expenses of the neutral, if any, shall be shared equally by the parties. Each party shall make arrangements for and pay expenses of witnesses that are called by such party, except that any County employee called as a witness shall be released from work without loss of compensation or other benefits to attend the arbitration hearing. Such arrangements shall be made through the Human Resources Director, or designee, with the employee's department head at least two (2) working days in advance of the hearing date. When the grievant is self-represented or represented by other than the Exclusive Employee Organization, the employee shall deposit one-half (2) of the estimated hearing costs (including transcripts) with the Human Resources Director, or designee, who shall determine the estimate and process grievant's deposit.

E. Prior to the arbitration hearing, the grievant and the Human Resources Director, or designee, shall meet and attempt to prepare a joint statement of the issues which describes the existing controversy to be heard by the neutral. If the parties are unable to agree on a joint statement, each shall prepare a separate statement of issues.

The neutral shall not decide any issue not within the statement of the issues submitted by the parties. This includes issues which have not been raised and considered at an earlier step of the grievance procedure.

F. If the neutral sustains the grievance, a remedy shall be fashioned that does not conflict with the provisions contained in this Memorandum.

G. Arbitration proceedings shall be conducted pursuant to the Voluntary Labor Arbitration Rules of the American Arbitration Association, unless the parties agree that the proceedings may be conducted pursuant to the Expedited Labor Arbitration Rules of the American Arbitration Association.

H. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil actions. In addition, communications between Human Resources Department employees, non-attorney advocates, management or employees of County departments involved in an arbitration concerning personnel matters and communications between the union representative and the employee who is the subject of a personnel action shall be confidential and not subject to disclosure in a grievance hearing.

I. Any arbitration expense incurred as the result of a postponement or cancellation of a hearing shall be borne by the postponing or canceling party.

ARTICLE XIV ANTI-STRIKE CLAUSE

It is hereby agreed that the Union (SEIU) shall not take part in, nor call, sanction, foster, nor support any strike, work stoppage, slow-down, sick-in, nor interference with the County's operation during the term of this Memorandum of Understanding.

Should a strike, sick-in, picketing, boycott or any other interruption of work occur, the County shall notify the Union (SEIU) of the existence of such activity and the Union will take all reasonable steps to terminate such activity and induce the employees to return to work.

ARTICLE XV ON-THE-JOB INJURY OR ILLNESS

An employee who suffers an injury or illness which entitled him/her to benefits under the Workers' Compensation Law, and for which they actually receive or obtain medical treatment, shall be entitled to full compensation for the first 10 calendar days during which he/she is necessarily absent from duty as the result of such injury or illness, without deduction on account of accrued sick leave or other accrued salary credits. If such absence continues thereafter, he/she shall be paid as salary the difference between the temporary disability payments due him/her under the Workers' Compensation Law and the regular compensation, to the extent of the value of accrued sick leave, including, for this purpose, the value of accrued vacation credit and, if the employee so elects, accrued compensatory time off.. During a period of temporary disability and in the proportion that the employee is paid for the difference between the

temporary disability payments and the regular compensation, he/she shall continue to accrue sick leave and vacation benefits at the regular rate.

The right is reserved to make later adjustments as between salary and disability benefits to conform to the Workers' Compensation Law, or to conform to later development of facts, including the right to recover any overpayment directly or from future earnings.

In the event of substantial doubt whether temporary disability payments are payable under the Workers' Compensation Law for the disability, or doubt as to the extent thereof, payment on account of sick leave shall be withheld, except to the extent authorized by this section, until the issue is determined either by assumption of liability by the compensation insurance carrier or by adjudication of liability. In the event of substantial doubt whether the disability is compensable pursuant to Section 4850 of the Labor Code, payment of salary shall be withheld, except as to so much thereof as shall be equal to the value of accrued sick leave, vacation and compensatory time off for overtime, until the issue shall be adjudicated.

ARTICLE XVI LAYOFF AND REINSTATEMENT

Section 1. Seniority

A. Definition of Seniority. Seniority shall be defined as the length of an employee's continuous service with the County, in a regular position, and is based on most recent date of hire.

B. Definition of Department. For purposes of this procedure, department shall be defined as the smallest business unit of the

1. the administrative staff of an agency; or
2. a department; or
3. a department within an agency; or
4. a district of the County; or
5. a County Service Area

which is set out in the April 8, 1998, side letter to this MOU including any subsequent amendments thereto.

C. Whenever more than one employee in a department has the same most recent date of hire, seniority shall be determined in the following order: Hours of County service from the most recent date of hire, seniority in classification, and seniority in the department or agency.

D. Except as otherwise provided in this Procedure, an employee shall lose seniority upon resignation, retirement, termination, or removal from all departmental

reinstatement lists. Seniority shall continue to accrue while an employee is on the layoff list.

Section 2. Reduction in Force

A. When it becomes necessary to reduce the work force in a department, the department head shall designate the job classification(s) to be affected, and the number of employees to be eliminated within the department. No regular employee shall be laid off in any job classification if there are temporary employees or seasonal employees in an active status in the same job classification within the department. It is not the intention of the County to use per diem employees for a replacement of regular laid off employees.

B. Any reduction in the number of regular employees holding a job classification designated by a department head for layoff shall be made in the following order of employment status:

1. Temporary promotion employees (return to former class);
2. Probationary new employees;
3. Probationary transfer employees, probationary promotional employees, and regular employees.

C. Layoffs of employees within each classification shall be based primarily on date of hire, with the least senior employees being laid off first. An employee may be laid off out of seniority when a less senior employee possesses essential skills necessary to the operation of the department, subject to the approval of the Human Resources Director. Employees laid off out of seniority shall be given written notice of this action.

D. After consultation with the Human Resources Director or a designee, the department head shall give notice to each regular employee affected by a reduction in force and to the recognized employee organization that represents the affected employee's representation unit, at least 14 days prior to the effective date of the action. The list given to the employee organization shall include a seniority list of the affected classes showing previously held positions. A list containing the names of the employees to be laid off shall at the same time be given to the Human Resources Director. The recognized employee organization shall be in receipt of the layoff notice 24 hours prior to the time affected employees are notified. The official notice of layoff shall be given only by the employing department. The notice shall include:

1. The reason for layoff;
2. The effective date of the action;
3. If laid off out of seniority.

E. If an employee who has received official notice of layoff has previously held regular status in another job classification within the department, and was not removed therefrom for disciplinary reasons, such employee shall, upon request, be given a

transfer or demotion within the department to such other classification in lieu of layoff unless such action cannot be accomplished without authorization of another position or displacement of an employee with greater seniority. The affected employee must request such transfer or demotion within seven days of written notification of layoff by personal delivery or mailing of a certified letter.

Regular employees who elect to demote under this provision shall be placed on the step nearest their present salary within the range of the class to which they are demoting provided such step shall not exceed present salary.

F. SEIU will be provided a copy of the final layoff list.

Section 3. Reassignment

A. An employee not expected to be laid off may in lieu of reassignment elect to be laid off and be placed on the Departmental Reinstatement List if both of the following conditions exist:

1. The employee is being reassigned to a position previously occupied by an employee who was laid off within twenty (20) working days of the effective date of the reassignment; and
2. If the new work location is more than 40 miles from the employee's current work location or the employee's home, whichever is closer.

B. An employee who chooses to be laid off and have their name placed on the Departmental Reinstatement List under this section shall notify the department in writing of the decision at least three (3) working days prior to the effective date of reassignment. Such layoff shall be on the same date as the reassignment would have been effective.

Section 4. Employment Counseling and Referral. Prior to the effective date of layoff, every employee given notice of layoff for a period of time longer than one (1) pay period may schedule an employment counseling session with the Human Resources Department for assistance in determining other employment opportunities within the County for which the employee may qualify.

A. Only employees who have either been given layoff notices or are currently on a reinstatement list shall be referred first to any department requesting a recruitment for classifications from which the employees were laid off.

B. Employees who meet the minimum qualifications and have either been laid off or have been given layoff notices shall be referred first to departments requesting recruitments for all other classifications within SEIU bargaining units.

C. Departments are required to notify the Human Resources Department in writing why these candidates are unacceptable before outside candidates will be referred.

Section 5. Departmental Reinstatement List

A. The name of every regular employee who is laid off for longer than one (1) pay period due to a reduction in force, or who is laid off in lieu of reassignment under subsection (c) above, shall be placed on Departmental Reinstatement Lists for all classifications of a currently equal or lower salary range in which the employee ever held regular status, provided the department is allocated any positions of such classification.

B. Any vacancy to be filled within a department shall be offered first, in order of greatest seniority, to individuals named on the Departmental Reinstatement List for the classification of the position to be filled.

C. An employee's name shall be removed from Departmental Reinstatement Lists, for specific classifications, for any of the following reasons:

1. The expiration of two (2) years from the date of placement on the list.
2. Failure to report to work within seven (7) days of mailing of a certified letter containing a notice of reinstatement to a position which is less than forty (40) miles from the last work location or the employee's home, whichever is closer.
3. Failure to respond within seven (7) days of mailing of a certified letter regarding availability for employment. It shall be the responsibility of the employee to notify his/her department head, in writing, of the employee's current mailing address.
4. Request in writing to be removed from the list.

D. Status on Reinstatement. Reinstatement is defined as recall by the same department, from a departmental reinstatement list, into a regular position. Upon reinstatement, the employee shall be entitled to:

1. Restoration of all sick leave credited to the employee's account on the date of layoff.
2. Continuation of seniority.
3. Credit for all service prior to layoff for the purpose of determining the rate of accrual of vacation leave.

4. Placement on the salary range at a step which is nearest former or current pay rate, whichever is higher, with the employees hours in a step being the same number of hours which the employee had at the time of layoff.

Section 6. Re-employment

Status on Re-employment. Re-employment is defined as being employed by the same or other department into a regular position, only while on the reinstatement list, other than that from which the employee had reinstatement rights to. If re-employed while the employee's name is current on any reinstatement list, the employee shall be entitled to:

- A. Restoration of all sick leave credited to the employee's account on the date of layoff.
- B. Continuation of seniority shall be credited to the employee upon successful completion of the applicable probationary period.
- C. Credit for all service prior to layoff for the purpose of determining the rate of accrual of vacation leave.

Section 7. Temporary Recall. Departments may elect to recall laid off employees in order of seniority from the reinstatement list, for a temporary period of not less than 30 days and not to exceed 480 full-time hours within a six-month period. Acceptance of temporary recall is at the discretion of the employee and will not affect the employee's status on the reinstatement list. Should the temporary recall extend beyond 480 full time hours, a permanent recall shall be effectuated, if sufficient work remains. The recalled employee shall be eligible for benefits under Section 5.D. (4) of this Article.

Section 8. The Human Resources Department will provide to SEIU each quarter a list of employees by Department, classification, and date of hire.

ARTICLE XVII
VOLUNTARY TIME-BANK

Section 1. Any department considering establishing a Time-Bank for its eligible employees shall follow the guidelines below:

- A. Definition of eligible employees.

Only employees in budgeted ("Regular") positions are eligible to participate in the Riverside County Voluntary Time-Bank Policy.

- B. Definition of catastrophic illness or injury.

Catastrophic illness or injury is a severe illness or injury which is expected to completely and totally incapacitate the employee for at least two (2) weeks and which creates a financial hardship because the employee has exhausted all accumulated leave at the time the application is submitted. Catastrophic illness or injury is further defined as a debilitating illness or injury of an immediate family member (i.e., the spouse, registered domestic partner, son, daughter, step-son, step-daughter, foster-son, foster-daughter, child of registered domestic partner, parents, grandparents, brother or sister of the employee or any other person living in the immediate household of the employee) that results in the employee being required to take time off from work for at least two weeks to care for the family member creating a financial hardship because the employee has exhausted all accumulated leave at the time the application is submitted.

C. Conditions and procedures under which a Time-Bank for catastrophic illness/injury may be established.

1. Only the department head, upon concurrence from the Human Resources Director, may request establishment of a Time-Bank for an employee within the department who is suffering a financial hardship due to a catastrophic illness or injury.

2. When the department head has determined that an employee would benefit from the establishment of a Time-Bank, the department head will contact the employee to determine if the employee desires to participate in a Time-Bank program. If the employee desires to participate in the Time-Bank program, the department head will contact the Human Resources Department and recommend the establishment of the program.

3. The Time-Bank will be established on behalf of an individual employee. The bank will accept donations of leave from one or more donors.

4. The Time-Bank will be operated by the Human Resources Department. The department head will take actions to help ensure that individual employee decisions to donate or not donate to a Time-Bank are kept confidential and that employees are not pressured to participate.

5. On establishing a Time-Bank program, the Human Resources Department should ensure that only credits that are necessary are donated. All donations are not retrievable.

D. Conditions under which leave credits may be donated to a Time-Bank.

1. Any employee may donate vacation, holiday accrual, or administrative leave. Sick leave and compensatory time may be not donated.

2. Donations of vacation, holiday accrual, or administrative leave must be in increments of 8 hours or more and drawn from one bank only.

3. The donation of leave hours is irreversible. Should the person receiving the donation not use all donated leave for the catastrophic illness/injury, any balance will remain with that person or will be converted to cash upon that person's separation.

4. An employee may not donate leave hours which would reduce their accrued leave balances of vacation, holiday accrual, compensatory time, sick leave, or administrative leave to less than 168 hours.

5. Donated leave shall be changed to its cash value and then credited to the recipient in equivalent hours at the recipient's base hourly rate of vacation or administrative leave.

6. Employees will use a provided form to submit donations directly to the Human Resources Department. Adjustment to donor's and recipient's paid leave balances will be made.

E. Conditions under which leave credits in a Time-Bank may be used.

1. Only the employee for whom the Time-Bank has been established may receive leave credits from the Time-Bank. Such leave credits shall be added to the employee's vacation balance.

2. The affected employees will provide verification of their (or immediate family member's) illness or injury on an Attending Physician's Statement to Support Leave or Return from Leave while using time donated under this program.

3. The use of donated credits may be for a maximum of twelve (12) continuous months for any one catastrophic illness.

F. Steps to be taken by the department to establish a Time-Bank program. A department head who decides that the department will participate in a Time-Bank program will arrange with the Human Resources Department for the establishment of the Time-Bank for the individual. The procedure to be followed must include:

1. Receipt of written approval from the employee to announce the need for a Time-Bank transfer.

2. Notify the Human Resources Department of the need for the program and coordinate the program's establishment.

3. Require that employee donations be made directly to the Human Resources Department to ensure that employee's decision to donate or not donate is kept confidential.

4. Immediately investigate any allegations of pressure or coercion in the solicitation of donations for the Time-Bank and take appropriate action.

G. The Human Resources Department will:

1. Receive from the employee benefiting from the Time-Bank proof of eligibility and a signed agreement allowing publication of the employee's situation.
2. Determine qualification, under the standards above, for the establishment of a Time-Bank.
3. Control the Time-Bank program.
4. The employee benefiting from the Time-Bank and the Human Resources Department will agree on the content of the publicity.
5. Publicize the establishment of the Time-Bank program. The notice will inform all employees of:
 - a. The establishment of the voluntary program.
 - b. Their opportunity to donate.
 - c. How donations are submitted.
6. Notify the department head immediately if the program cannot be established and the reason(s).

Section 2. It is agreed that the use of the holiday bank for donation of time shall be applicable to this Memorandum subject to reopener should it be determined by the County that such use is abused or it is an administrative problem.

SMALL POX VACCINATIONS: VOLUNTEER TIME BANK

The County agrees to establish a small pox volunteer sick leave time bank to accommodate employees who may have a need to use sick leave time off due to receipt of the small pox vaccine. The time bank will contain a total of three days of sick leave per employee voluntarily receiving the small pox vaccine. In the event an employee requires time off beyond the projected one to three days, the County will provide Worker's Compensation Temporary Disability, in accordance with State law, for the duration of the incapacity.

ARTICLE XVIII

ACCIDENT REVIEW COMMITTEE

Section 1. Procedures. SEIU shall be entitled to have one (1) representative as a member of the Accident Review Committee. The following procedure shall be followed by the Accident Review Committee:

A. The Accident Review Committee will make a determination if an accident is preventable or non-preventable in the absence of the employee.

B. If the Accident Review Committee determines that the accident is non-preventable or operational, no appearance will be granted to an employee to appear before the committee.

C. If the Accident Review Committee determines an accident is preventable, an employee may request an appeal to the determination and appear before the committee to present their evidence and give testimony.

D. Appeal of Accident Review Committee Determination.

1. A notice of determination is sent to the employee by certified mail return receipt requested to their last known address if the accident is determined to be preventable. The notice of determination will include an employee's right to appeal the committee's finding. The notice requirements shall be deemed completed upon the Accident Review Committee's mailing and proof of receipt of the notice of determination to the employee.

2. The employee shall submit a written request for review within 10 working days following the date of the receipt.

3. An employee is entitled to representation during the presentation of this appeal.

4. The Accident Review Committee shall review the evidence and testimony presented by the employee(s) and/or their representative and make its final determination. The final copy of the Accident Review Committee's determination will be sent to the employee's department and their representative or the employee.

5. If there is no appeal made within the stipulated time limits, the final copy of the Accident Review Committee's determination will be sent to the employee's department and the employee.

E. The County will release the employee from work with pay for the actual time needed for their presentation. An employee is not entitled to preparation time or

mileage paid by the County. In cases where the employee is in an outlying area, a presentation may be made by a telephone conference call with the Accident Review Committee at the employee's option.

F. Employee is entitled to any information that the County uses upon which it bases its initial determination.

ARTICLE XIX

The policy provides that employees shall not be under the influence of alcohol or drugs while on duty or on a standby or an on-call status; or consume alcohol or illicit drugs while on County property or at work locations or while on duty; or possess controlled substances or prescription drugs without a prescription while on duty. Employees shall not: manufacture, sell, provide, distribute, or dispense prescription drugs or controlled substances to any other employee or to any person while on duty unless authorized by law; or sell, provide, distribute, or dispense alcohol to any other employee while such employee is on duty.

Employees are expected to be familiar with and comply with Policy C-10, which is included in this Memorandum by reference.

For cause, management may condition further employment on successful passage of a drug or alcohol test.

ARTICLE XX

A. The County shall make the following contributions towards the County's Flexible Benefit plan:

Employees participating in a County sponsored health care plan:

Effective December 22, 2005 (pay date 1/18/06):	\$568.00 per month (\$284.00 per biweek for 24 biweeks/year)
Effective November 9, 2006 (pay date 12/6/06):	\$590.46 per month (\$295.23 per biweek for 24 biweeks/year)

In addition, the County agrees to subsidize the family and two-party monthly medical insurance premiums chargeable to employees participating in a County sponsored health care plan on the following basis:

Employees with family coverage:	Monthly premium reduced by \$100.00
Employees with two-party coverage:	Monthly premium reduced by \$25.00

This subsidy will remain in place for the duration of the MOU.

Employees whose last hire date is on or after November 11, 2004 (pay period 25-04) will be required to select a medical plan as part of their Flexible Benefit election each year, and will not have the option of waiving all medical coverage. Those who fail to timely elect medical coverage will be placed in the lowest-priced employee-only medical plan available.

Employees whose most recent hire date is prior to November 11, 2004 (pay period 25-04) will have the option of waiving medical coverage if they provide proof of coverage under another group medical plan.

While qualifying employees may waive medical coverage, at least one of the flexible benefit options must be taken (medical, dental, or Flexible Spending Account) to receive cash back.

B. Employees who fail to timely elect medical coverage will be placed in the lowest-priced employee-only PPO medical plan available.

C. Employees electing not to participate in a County sponsored health care plan must provide evidence of group hospital and medical health plan coverage from their spouse or other sources and sign a statement that they are enrolled and covered under

another group hospital and medical health plan. Evidence is defined as a dated certificate of coverage, plan enrollment card, policy, etc. Notice of waiver form showing other group hospital and medical coverage shall be received by the Human Resources Department within sixty days from date of hire, and annually during Open Enrollment.

If monies remain after deduction of elected benefits and wavier fees, said monies may be taken in cash back to the aggregate total of options selected and cash.

For part-time regular employees hired after January 11, 1990, or current employees who become part-time regular employees after January 11, 1990, the prorated health insurance contribution shall become a prorated cafeteria contribution under the County of Riverside Flexible Benefits Program on the following basis:

Employees working 20 to 29 hours per week, 50% of the applicable County of Riverside Flexible Benefits Program contribution for full-time regular employees per month per employee.

Employees working 30 to 39 hours per week, 75% of the applicable County of Riverside Flexible Benefits Program contribution for full-time regular employees per month per employee.

Part time employees who work more or less than their designated status for a fiscal year quarter shall be re-characterized at the end of that quarter based on their actual pattern of work during that quarter.

Section 2. Optical Insurance. The County agreed to providing an optical plan as an option under the County's flex benefit plan (cafeteria plan) subject to the insurance committee proceedings as shown in a subsequent section of this Memorandum, and any subsequent meet and confer session or impasse procedure in order to reach agreement. The premium costs for optical insurance shall be made from the existing County contribution or employees contributions (no additional County contribution shall be made for this benefit in this Memorandum). An employee's option for optical insurance only does not qualify the employee for cash back.

Section 3 Deferred Compensation

The County shall accept lump sum payments of accumulated vacation, sick leave, holiday and compensation time upon retirement up to the IRS approved maximum in any one calendar year in accordance with the County's approved Deferred Compensation Plan.

Section 4. Partial Benefit Nurse A registered nurse in the RN-PB classifications shall not be eligible for any flexible benefit contributions nor any other benefits outlined in this MOU except CalPERS retirement, Social Security, Medicare, and disability.

ARTICLE XXII

AGENCY SHOP

(The provisions of this Article are not applicable to employees in the Supervisory Unit)

Subject to the provisions set forth below, the County shall deduct and remit the SEIU biweekly service fees or dues, as appropriate, for fee payers/members of SEIU.

Current employees in the unit who are now SEIU members shall remain SEIU members for the period of this Memorandum of Understanding. Employees who are hired on or after the effective date of this Memorandum, and are in a job classification within a representation unit of SEIU covered by this Memorandum of Understanding, the County, in conformance with the provisions of Government Code Section 3508.5(b), shall deduct the payment of service fees to SEIU from the employees' paychecks. Furthermore, employees hired on or after July 3, 1986, shall, within thirty (30) days from the effective date of this Memorandum of Understanding, become a member of SEIU or, pursuant to the provisions of Government Code 3508.5(b) the County shall automatically deduct the payment of service fees to SEIU from the employee's biweekly paycheck.

Dues withheld by the County shall be transmitted to the SEIU Officer designated in writing by SEIU as the person authorized to receive such funds, at the address specified.

The parties agree that the obligations herein are a condition of continued employment for all unit members. The parties further agree that the failure of any unit member to remain a member in good standing of SEIU or pay the equivalent of SEIU dues during the term of this Memorandum of Understanding shall constitute, generally, just and reasonable cause for termination. The County shall not be obligated to put into effect any new, changed or discontinued deduction until the pay period commencing fifteen (15) work days or more after such submission.

No unit member shall be required to join SEIU or to make an agency fee payment if the unit member is an actual verified member of a bona fide religion, body, or sect which has historically held conscientious objections to joining or financially supporting employee organizations; this exemption shall not be granted unless and until such unit member has verified the specific circumstances. Such employee must, instead, arrange with SEIU to satisfy their obligation by donating the equivalent amount to a non-labor, non-religion charitable fund, tax exempt under Section 501(c)(3) of the Internal Revenue Code (IRC), chosen by the employee.

Whenever a unit member shall be delinquent in the payment of dues or fees, SEIU shall give the unit member written notice thereof and fifteen (15) days to cure the delinquency; a copy of said notice shall be forwarded to the Human Resources Director, or designee,. In the event the unit member fails to cure said delinquency, SEIU shall request, in writing, that the County initiate termination proceedings. The termination proceedings shall be governed by applicable State laws.

The County shall not deduct monies specifically earmarked for a Political Action Committee or other political activities unless such deduction is affirmatively, separately and specifically authorized in writing by the unit member.

SEIU shall keep an adequate itemized record of its financial transactions and shall make available annually to the County and, upon request to the employees who are members within sixty (60) days after the end of its fiscal year, a detailed written financial report thereof in the form of a balance sheet and an operating statement, certified as to accuracy by its President and Treasurer or corresponding principle officer, or by a Certified Public Accountant. A copy of financial reports required under the Labor-Management Disclosure Act of 1959 or Government Code Section 3546.5 shall satisfy this requirement.

UNION RIGHTS

Section 1. Bulletin Boards: Space will be made available to SEIU on a reasonable number of departmental bulletin boards designated for such purpose, provided such use is reasonable. Notices shall be dated and signed by a SEIU representative. The privilege does not extend to the individual members of SEIU. The posting and removal of bulletin board material must be maintained in a timely fashion. The County, through the Human Resources Director, or designee, reserves the right to suspend or cancel bulletin board privileges for abuse.

Section 2. Separate Payroll Deduction Code: The County agrees to provide SEIU with one separate payroll deduction code for insurance related deductions.

Section 3. workforceExchange: workforceExchange shall be made available to SEIU for communications with its members.

Section 4. Worksite Access: The Union will maintain its existing rights to enforce their rights to worksite access.

The Union shall also be provided, upon request, a meeting room at all work locations, to conduct meetings with represented employees before and after work and during lunch periods (non-working time). Where facilities like RCRMC exist and make impracticable the ability of employees on other floors to be able to attend a meeting due to limited lunch breaks, the County agrees to make every effort to provide additional meeting rooms to address this issue. All meetings will be scheduled through Human Resources, and, at the time the request is made the request will be granted, provided that the meeting room requested has not been previously scheduled.

Section 5. Consensus: The existing County Charter consensus provision of the County Labor/Management Committee shall be applicable to the SEIU bargaining unit specific Labor/Management Committee.

Section 6. Education and Training Release Time: Effective January 1, 2003, County agrees to release SEIU represented employees for Union related education and training activities not to exceed an aggregate total of 20 minutes per represented employee per calendar year (Cost \$39,922). Time spent training Worksite Representatives in the grievance procedure through the providing of release time to prepare for grievances/administrative interviews and Skelly hearings, will be charged to this Article/Section. The parties agree that up to fifty percent (50%) of this bank may be used for Steward activities.

Section 7. Stewards: Except as set out below, SEIU may elect or appoint one (1) Steward in each County Department, one (1) additional Steward in departments with more than 200 SEIU members, and one (1) additional Steward in departments with more than 500 SEIU members in more than ten (10) geographical locations. At RCRMC SEIU may elect or appoint five (5) stewards as follows: 2 at the main campus,

1 at the Arlington Campus, and 2 at Detention Health. At DPSS SEIU may elect or appoint eight (8) stewards as follows: 3 in south County, 3 in mid-County, and 2 in the desert.

[To avoid any conflict of interest, any Steward elected or appointed from the supervisory unit shall be limited to representing employees in the supervisory unit.] The Stewards are recognized as representatives of SEIU in their department with the power to bind SEIU in all matters pertaining to this Memorandum. SEIU agrees to notify the County Human Resources Department in writing of the names of its Stewards and the effective dates of their election or appointment.

There shall be no union activity on County time or premises except as provided for in this Memorandum. A Steward is permitted to represent SEIU in grievances, administrative interviews, or Skelly hearings, consistent with the representational rights granted by the *Meyers-Milias-Brown Act*. Stewards shall not be permitted to request preparation time pursuant to this Article. A Steward will not absent him/herself from his/her work without first obtaining the permission of the Department. To obtain permission the Steward shall identify (i) the specific reason for requesting permission, (ii) the employee(s) to be represented, and (iii) the general issue involved. SEIU agrees that the provision of County services is not to be negatively affected by any Steward activity permitted by this Article. Subject to the foregoing, the County will not unreasonably withhold permission.

Except as outlined above, the Steward will not be paid his/her regular wages while conducting steward business but will be permitted to use accumulated vacation and/or compensatory time, provided the use of such time does not result in the payment of overtime during the workweek in question. County will not pay for, nor shall the Steward be entitled to make any claim for, time spent on steward business during the Steward's non-regular working hours or for time spent on other union matters including, but not limited to, Labor-Management meetings, arbitration, PERB hearings, court, depositions, negotiations, union conferences or training.

The Steward program is introduced on a trial basis and will terminate at midnight, December 31, 2005. Any continuation of the program thereafter will require the express agreement of the parties.
